Building Connections & Expanding Horizons

Looking Ahead to 2026

2025 YEAR IN REVIEW

Reflections & Opportunities

Community Highlights

Sonoma County Fair

- Hosted an indoor booth to educate attendees on cybersecurity risks and best practices.
- Connected with visitors, families, and local business owners to raise awareness of our services.
- Answered common security questions and gathered valuable community feedback.

Strengthening Community Ties & Awareness

California State Fair

- Promoted cybersecurity awareness with fair attendees and local businesses.
- Connected with families and professionals to discuss online safety and common security concerns.
- Expanded SecureNexa's visibility through in-person outreach, community education, and meaningful local conversations.

Engaging Through Travel

International Conferences

- Attended conferences in **Frankfurt** and **Barcelona**, connecting with industry leaders.
- Gained insights into emerging cyber threats and new opportunities.

San Diego

- Joined workshops on advanced threat protection and partner enablement.

Vancouver & Phoenix

- Explored new business opportunities through regional expos and networking events.

Expanding Horizons & Industry Expertise
